**VStream[®] Windscreens for
American and Metric Motorcycles**

VStream Applications and Specifications

VStream®

National Cycle's innovative VStream® Windscreen gets its name from the unique shape and dimensional contours designed and engineered for each screen. The patented "V" profile helps push the turbulent wind out and away from the side of the rider's head, producing a quieter and more comfortable riding experience for both the rider and the passenger.

VStream+

VStream+® Windcreens include specially designed and engineered mounting brackets that are a custom fit for each model bike. They're easy to install, require no modifications to existing components, and add strength and rigidity to the windscreen mounting points. VStream+ Mount Brackets are polished, plated or powdercoated to match the original finish of each model bike.

- Centerline measurement from top of screen to top of fairing edge
- Centerline measurement from top of screen to bottom center mount hole
- Centerline measurement from top of screen to bottom edge
- Measured from top of stock headlight shroud to top of screen
- Measured from top of windshield mount cover plate to top of screen

All widths are measured in a straight horizontal line across the back of the windscreens at their widest point.

- A Without vent hole
- B With vent hole; use OEM vent/hardware for direct replacement, or use National Cycle's 23050 Replacement Vent
- C Includes National Cycle's 23050 Replacement Vent and exclusive RainZip® pre-treatment
- D Beaded edge for European homologation
- E Includes hardcoated polycarbonate replacement side deflectors

Quantum® Hardcoated Polycarbonate

Developed for windshield use by National Cycle, Quantum hardcoating takes motorcycle windshields a quantum leap forward in scratch resistance and out-door life. The durability of polycarbonate combined with Quantum hardcoating produces the strongest, most scratch resistant windshield available.

FMR Hardcoated Polycarbonate

The strength of polycarbonate combined with FMR hardcoating provides strength with very good scratch resistance. FMR polycarbonate is the OEM motorcycle industry standard and was first developed for the motorcycle industry by National Cycle.

National Cycle 3-Year Warranty

National Cycle's exclusive 3-Year Warranty covers all our polycarbonate windscreens and windshields against breakage.
