

THE RIDER'S CHOICE IN SMALL SHIELDS

GLADIATOR®

All Patents Pending

Finally, a custom look in windshields that is worthy of your big iron – the **Gladiator® Windshield from National Cycle!**

The clean appearance of its **DualPivot™ mounting bracket** is achieved by mounting directly to the top clamp, leaving your bike's handlebars and forks clean and uncluttered.

WORLDWIDE LEADER IN WINDSHIELD TECHNOLOGY

THE RIDER'S CHOICE IN SMALL SHIELDS

PRODUCT DETAILS

Height: 14.50" (36.8cm)
Width: 12.50" (31.8cm)

Gladiator windshields are measured from the bottom center to the top of the shield, and horizontally at their widest point.

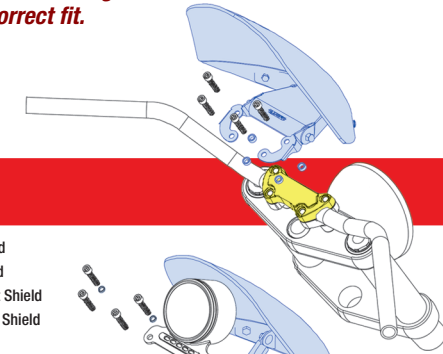

There is a Gladiator® model to fit virtually every stock top clamp mount. Check the "Products By Bike" section of our web site to find the correct application for your bike.

If you have a custom bike or aren't sure what to order, call our Customer Service at 877-WSCREEN and we'll be glad to help you determine the correct fit.

PRODUCT FEATURES

The custom, fully-adjustable mounting bracket uses our **Dual Pivot™ action** to allow infinite positioning for different rider heights or weather conditions. A simple wrench is all that's needed... satisfyingly simple in a complex world.

Clean, custom-looking mount hardware

Dual Pivots allow a wide range of windshield height and rake angle

THE BEST MATERIALS

- Hardcoated polycarbonate material
- Quality is evident when you feel the smooth radiused edge and look at the shape of a National Cycle windshield
- Available in rich Dark Tint or Light Tint with chrome or black mounting hardware
- 3-Year Warranty against breakage... period!

All Patents Pending.
